

The tools for *reading* and *spelling* success for *all* students

Multi-sensory teaching using all pathways to the brain

The ***Write to Read*** course consists of Certificate I and Certificate II. Certificate I is a 3-day course (15hrs) and Certificate II is 5 days (30hrs). The complete training is Certificate I and II totalling 45hrs. The strength of this method is in the teacher training.

The most valuable asset to a child's education is a knowledgeable, empowered, passionate teacher!

Students are taught the skills that are essential to learn to read and spell successfully. They become empowered, independent thinkers in control of their learning. Students become higher-level thinkers who truly experience the joy of learning and achievement.
